

# Yucca Mountain Education Project Radioactive Waste Management Strategies

## Agenda

- 6 p.m. Registration
- 6:10 p.m. Introduction, Anthony Hechanova
- 6:20 p.m. Main Seminar, Gary Cerefice  
Observations, William Culbreth
- 7:20 p.m. Break, Audience submit written  
questions for panel
- 7:30 p.m. Panel Discussion, Cerefice, Culbreth,  
and Hechanova
- 8:30 p.m. Informal and Open Discussion  
between Panel and Audience
- 9 p.m. Adjournment and light refreshments  
in Museum Foyer

## **What is the Yucca Mountain Education Project?**

“The UNLV Yucca Mountain Education Project is a multidisciplinary effort by interested faculty and staff of the University of Nevada, Las Vegas to create a balanced information resource for the general public on the subject of the proposed Yucca Mountain high-level radioactive waste disposal site. The ultimate goal of the project is to present positive and negative aspects of the proposed waste site so that the general public can make informed political decisions.”

**- Dr. Brad Eden  
YMEP Point of Contact  
Head of Cataloging  
UNLV Libraries**

## **Tentative Schedule of Town Hall Meetings**

### **Spring 2001**

Radioactive Waste Management Strategies

### **Fall 2001**

1. Energy policy / Alternative solutions to nuclear energy
- 2a. Yucca Mountain history - Selection process pre-1987
- 2b. Yucca Mountain history: post-1987

### **Spring 2002**

What is being done to protect Nevada?  
(standards, level of protection)

### **Fall 2002**

Total System Performance Assessment

### **Spring 2003**

What does the science say? Specific topics in seminar format, between 2-4 for this semester
