

**Online Databases:**

The following are recommended databases that will help you begin your research. The databases can be accessed through the library's home page at this link [library.unlv.edu/search/databases/index.html](http://library.unlv.edu/search/databases/index.html).

<b>Database</b>	<b>Description</b>
<b>ABI/Inform</b>	The ABI/INFORM database offers searchable full text of more than 1800 of the leading business and management journals. Coverage is international and includes advertising, marketing, economics, human resources, finance, taxation, computers, and more.
<b>Agricola</b>	Citations to articles on every major agricultural subject
<b>America: History &amp; Life</b>	Find journal articles about the history of the United States and Canada from prehistory to the present.
<b>ArticleFirst</b>	More than 13,000 journals in science, technology, medicine, social science, business, the humanities, and popular culture.
<b>Culturegrams</b>	Cultural reports for 187 countries and territories each including 25 categories such as land and climate, history, personal appearance, greetings, gestures, family, diet, holidays, economy, education, health, and events and trends.
<b>Ebrary</b>	Search and read the full text of more than 25,000 complete books, reports and other resources covering all academic subject areas, including business & economics, career & general education, humanities, science, medicine & allied health, and social & behavioral sciences.
<b>Hospitality &amp; Tourism Complete</b>	Hospitality & Tourism Complete is a database covering scholarly research and industry news relating to all areas of hospitality and tourism.
<b>IBIS World</b>	IBISWorld provides industry market research information, company reports and economic reports. The Industry market research reports cover over 700 industries and provides key statistics, market characteristics, segmentation, industry conditions, industry performance, key competitors and industry outlook.
<b>JSTOR</b>	A collection of full text articles from over 80 scholarly journals in various fields, including African-American studies, anthropology, Asian studies, ecology, economics, education, finance, history, literature, mathematics, philosophy, political science, and sociology.
<b>Mintel Market Research Database</b>	Intel offers hundreds of market research reports covering the U.S. and International consumer marketplaces. Each market research report combines data & analysis of the competitive landscape, market-share analysis and consumer profiles. Complex demographic issues are broken into easy-to-understand sections, explaining consumer behavior and demonstrating the structure of the market. The database covers a variety of sectors including consumer goods, travel and tourism, financial industry, internet industry, retail, and food & drink.

### Full-Text Electronic Journals:

Not all of our journals are available in our databases, so we have created a list of hospitality-related electronic journals at this link

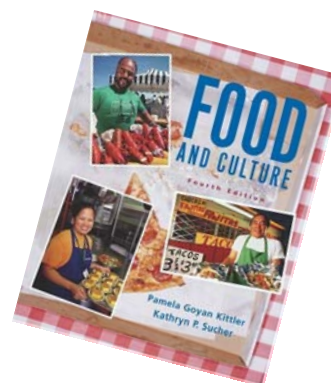

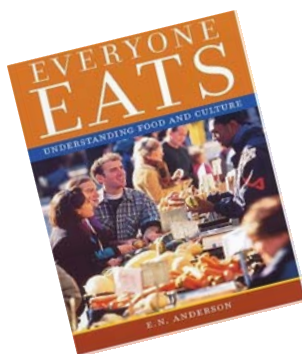

[library.unlv.edu/subjects/hospitality\\_journals.html](http://library.unlv.edu/subjects/hospitality_journals.html).

### Resources located in Lied Library:

### Books related to Culture and Cuisine:

Browse the library catalog (<http://webpac.library.unlv.edu/search~S1/>) by using some of the suggested keywords below. Most of the books will begin with the GT or TX (ex. GT2853.T35 F58 2005, TX716.C8 A44 2005) call numbers and can be located on the 3<sup>rd</sup> & 5<sup>th</sup> floors of the library.

- Cookery
- Food
- Food Culture
- Food Habits
- Food History

### DVDS/Videos:

Find media by searching the library's catalog using the **Advanced Search** (<http://webpac.library.unlv.edu/search~S1/X>). Use the **Location** drop-down menu to limit the search to **UNLV Media**. Try the following keywords in your search.

- Cookery
- Food
- Food Culture
- Food Habits
- Food History
